

Nan Clach Extension Limited
ELECTRICITY ACT 1989
TOWN AND COUNTRY PLANNING (SCOTLAND) ACT 1997
THE ELECTRICITY WORKS (ENVIRONMENTAL IMPACT ASSESSMENT) (SCOTLAND)
REGULATIONS 2017

Notice is hereby given that Nan Clach Extension Limited, company registration number 12642086, with its Registered Office at 16 West Borough, Wimborne BH21 1NG, has applied to the Scottish Ministers for consent under Section 36 of the Electricity Act 1989 to construct and operate a wind farm known as Tom na Clach Wind Farm Extension, near Nairn in Highland Council area (Central Grid Reference E287153 N834447). The installed capacity of the proposed generating station would be over 50MW, as an Extension to Tom nan Clach Wind Farm, comprising up to 7 turbines with a maximum ground to blade tip height of 149.9 metres, and has been subject to Environmental Impact Assessment. An EIA Report has been produced to accompany the application for consent.

Nan Clach Extension Limited has also applied for a direction under Section 57(2) of the Town and Country Planning (Scotland) Act 1997 that planning permission for the development be deemed to be granted.

A copy of the application, with a plan showing the land to which it relates, together with a copy of the EIA Report discussing the Company's proposals in more detail and presenting an analysis of the environmental implications, is available for public inspection, free of charge on the application website <https://www.tomnaclachwindfarm.co.uk/> or on the Scottish Government Energy Consents website at www.energyconsents.scot under application reference ECU00003453.

Copies of the EIA Report may be obtained from Nan Clach Extension Limited (telephone: 0800 980 4299/email: info@tomnaclachwindfarm.co.uk) at a charge of £750 per hard copy and free on DVD/CD or USB. Copies of a short Non-Technical Summary are available free of charge.

Any representations to the application may be submitted via the Energy Consents Unit website at www.energyconsents.scot/Register.aspx; by email to the Scottish Government, Energy Consents Unit mailbox at representations@gov.scot; or by post to the Scottish Government, Energy Consents Unit, 4th Floor, 5 Atlantic Quay, 150 Broomielaw, Glasgow, G2 8LU, identifying the proposal and specifying the grounds for representation. Please note that there may be a delay in the Energy Consents Unit receiving representations by post.

Written or emailed representations should be dated, clearly stating the name (in block capitals), full return email and postal address of those making representations. Only representations sent by email to representations@gov.scot will receive acknowledgement.

All representations should be received not later than **13th May 2022**, although Ministers may consider representations received after this date.

Any subsequent additional information which is submitted by the developer will be subject to further public notice in this manner, and representations to such information will be accepted as per this notice.

As a result of a statutory objection from the relevant planning authority, or where Scottish Ministers decide to exercise their discretion to do so, Scottish Ministers can also cause a Public Local Inquiry (PLI) to be held.

Following examination of the environmental information, Scottish Ministers will determine the application for consent in two ways:

- Consent the proposal, with or without conditions attached; or
- Reject the proposal

General Data Protection Regulations

The Scottish Government Energy Consents Unit processes consent applications and consultation representations under the Electricity Act 1989. During the process, to support transparency in decision making, the Scottish Government publishes online at www.energyconsents.scot. A privacy notice is published on the help page at www.energyconsents.scot. This explains how the Energy Consents Unit processes your personal information. If you have any concerns about how your personal data is handled, please email Econsents_admin@gov.scot.
