

KEY

- Site Boundary
- Turbine Locations
- Indicative Substation
- Proposed Borrow Pit
- Existing Track
- Floating Track
- Hardstandings and Cut Track
- Existing TNC Layout
- Existing Substation

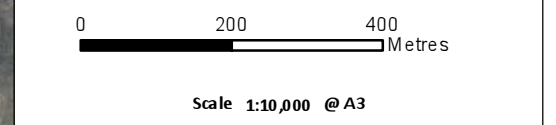

Geomorphology and hydrology

- Linear drainage
- Complex drainage (anastomosing, dendritic)
- Diffuse drainage
- Planar peat
- Made ground
- Reprofiled Ground
- Bare peat
- Main gully (bare)
- Main gully
- Pool
- Minor valley
- Bluff
- Valley floor / floodplain
- 1:50,000 OS Watercourse
- Artificial drain / moorland grip

Land use

- Metalled track
- Peat Burning
